

## **Rafaela Alves**

Researcher / PhD in Geodynamic and Geophysics  
Institute of Meteorology and Water Resources (FUNCEME) – Fortaleza, Brazil

rafaela.alves@funceme.br

Researcher at Funceme working mainly with hydrogeology in semiarid regions, hydrogeological potential, groundwater recharge and environmental geology.

Particular interest

Water processes between surface and aquifers;

Aquifers recharge;

Water management;

Impacts on the evolution of water supply forms at the local scale;

ORCID number 0000-0002-9879-1757
